

PhaRA

Become part of our team

If you have an eye for detail // an ear for understanding client needs //
a sense for urgency // and a heart and talent for Regulatory Affairs

Regulatory Affairs Benelux Professional 0 to 3 years of experience

PhaRA is a consultancy firm in EU regulatory affairs, located in Antwerp (5 min. walking distance from the central station).

To expand our team working on Benelux regulatory affairs, PhaRA is looking for a Regulatory Affairs Professional with 0-3 years of experience in Benelux RA.

Description

Your main focus will be support to regulatory activities at Benelux level.

Depending on your level of experience, you will, for our clients:

- Manage or support products and interact with competent authorities.
- Contribute as appropriate to European regulatory strategies and interact with colleagues from European headquarters at client companies
- Be responsible for, or assist with, the preparation, submission and follow-up of marketing authorization applications and variation files in the Benelux.
- Contribute to regulatory affairs project planning and co-ordination as well as to product information (labelling) activities.
- Assess material for publicity and information purposes for compliance.
- Contribute to the maintenance of quality systems and SOP writing.

Your profile

- Master in Pharmaceutical Sciences, Bachelor in an area related to medicine or biotechnology, or equivalent with ideally minimum 1 year of experience.
- Experience with medical information and pharmacovigilance is an asset.
- Proficient oral and written Dutch, French and English language skills.
- Ability to foster relationships with internal and external stakeholders.
- Diligent to work in compliance with legislation and Quality Assurance systems.
- Ability to adapt to different client company cultures and service minded.
- Accurate, proactive, reliable, hands-on, and quality output driven.
- Positive and pleasant personality with effective interpersonal skills.

We offer

- A competitive remuneration package.
- Varied job in a young and dynamic environment.
- Continuous learning and exchange of expertise with colleagues.
